

From M&E Cradle towards Sustainable M&E Platform in Tajikistan

MonEvCoP
Republic of Tajikistan

TAJIKISTAN

- National capital
- Viloyati Autonomous (V.A.) or viloyat centre
- Town or kishlak
- Major airport
- International boundary
- Viloyati Autonomous (V.A.) or viloyat boundary
- Main road
- Secondary road
- Railroad

MonEvCoP background

- **Monitoring and Evaluation Community of Practice of Tajikistan**
 - Since 2008
 - 115 members (mailing list recipient's)
 - Community of Practice for learning and sharing for increased demand
 - Initiated by UNICEF and expanded to other development partners civil society and some government institutions

MonEvCoP Tajikistan

- ◉ MonEvCoP as a formal platform
 - Bigger opportunities
- ◉ Partnership with academic institutions
 - Increased Capacity
 - Increased Demand
 - Development of learning platform (with other VOPEs)
- ◉ Evaluation Policy and advocacy
- ◉ Expanding networks

MonEvCoP activities

- ◉ P2P in 2014
- ◉ P2P in 2015
- ◉ Global Forum in Thailand in 2012 and Nepal in 2015

Bottlenecks and challenges

- Human resources
 - Available but not available
- Lack of Evaluation culture and Resistance
- Resources in local language
- Financial resources (locally)

Strengthening Evaluation Capacity through VOPEs

- ◉ Collaboration with neighboring VOPEs and educational institutions on educational platform (TESA example)
- ◉ International support to VOPEs
 - Recruitment of scholarships through VOPEs
 - Regional collaboration and support (IPEN, ASEA)

Towards sustainable learning platform
